

Health and Safety Representative Initial OHS Training Course

To exercise powers as an HSR effectively, it is essential HSRs (and Deputy HSRs) receive training. This training course aims to provide the HSR with the appropriate skills, knowledge and confidence to represent the people they work with and to help make their workplace safer.

Throughout the year SIAG offers the HSR Initial OHS Training Course (5 days). This is a WorkSafe approved course, and can be run in groups at your organisation or for individuals as part of our public program held at SIAG's head office.

The learning objectives of the course are:

- Interpreting the occupational health and safety legislative framework and its relationship to the HSR
- Identifying key parties and their legislative obligations and duties
- Establishing representation in the workplace
- Participating in consulting and issue resolution
- Represent designated work group members in any OHS risk management process undertaken by appropriate duty holder/s
- Issuing a Provisional Improvement Notice (PIN) and directing the cessation of work
